Design and management of your  
premium projects

FISA:

We are leader in the creation and production of trade and business fairs.

We organized the first "International Fair of Santiago" with an outstanding international participation.

We organize International Fairs, Congresses, Roadshow, seminars, conventions, corporate and sport events.

We count with the collaboration and patronage of the Government, private sector, trade organizations and international institutions.

We annually bring more than 200,000 visitors and 5,000 exhibitors from more than 60 countries.

Subsidiary of  
GL events Group  
since 2018

FISA subsidiary of GL events:  
With over **80% of the trade fair market** in Chile,  
our main activity is to organize:

#### EXHIBITIONS

With innovation and technological solutions that promote competitiveness, efficiency and sustainability.

#### CONFERENCES AND SEMINARS

Over 10,000 visitors per year, sharing knowledge and experiences with renowned speakers.

#### ROADSHOWS

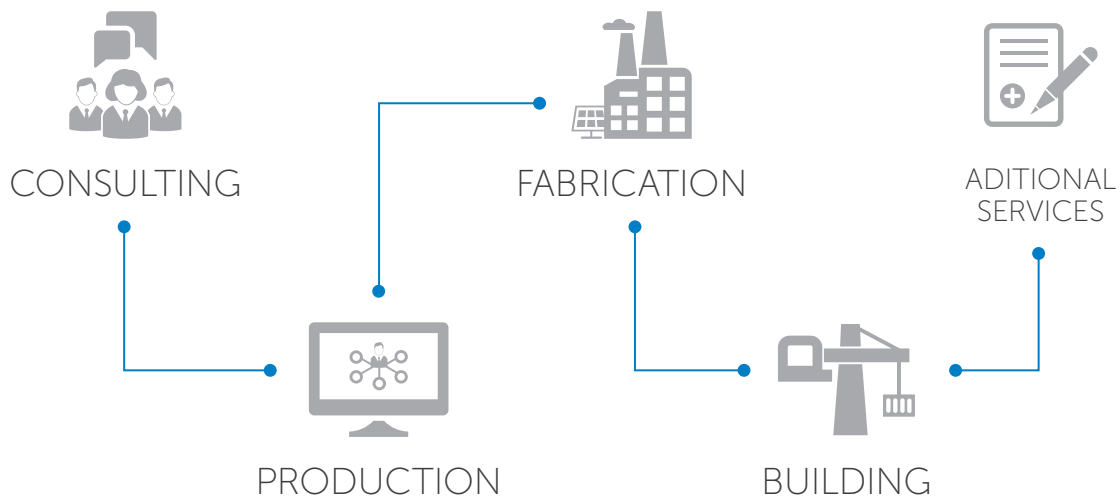

Over 400 business meetings at each fair bringing together more than 600 executives.
